Product description

Flush-Mounted Retro Porcelain Pin Socket Type / Earthed Power Socket (French/EU Type)
Power Socket

Introduce a touch of elegance and modernity to your interior with our ceramic power socket. This unique product is available in three stylish colors: white, black, and gray, allowing for perfect integration into any type of decor.

Product Features:

- **High-quality craftsmanship:** Made from durable ceramic, the switch is resistant to scratches and damage, ensuring long-lasting use.
- **Modern design:** The minimalist look in three elegant colors makes the switch a perfect fit for both classic and contemporary interiors.
- **Easy installation:** Simple installation allows for quick and hassle-free mounting of the switch in any room.
- **Safety:** High-quality materials and meticulous craftsmanship guarantee safe use.

Available Colors:

- **White:** Ideal for bright, spacious interiors where subtle elegance matters.
- **Black:** A great choice for bold arrangements that emphasize contrasts and striking accents.
- **Gray:** A universal color that seamlessly blends into any interior, adding a touch of modern character.

Order your ceramic power socket today and enjoy the combination of functionality and unique style.
