## Product description

**Flush Mounted Vintage Retro Metal Single Light Toggle Switch**
1 Gang One-Way Switch

Introduce a touch of elegance and modernity to your interior with our ceramic light switch. This unique product is available in two stylish colors: white and black, allowing for perfect integration into any type of decor.

**Product Features:**

- **High-quality craftsmanship:** Made from durable ceramic, the switch is resistant to scratches and damage, ensuring long-lasting use.
- **Modern design:** The minimalist look in two elegant colors makes the switch a perfect fit for both classic and contemporary interiors.
- **Easy installation:** Simple installation allows for quick and hassle-free mounting of the switch in any room.
- **Safety:** High-quality materials and meticulous craftsmanship guarantee safe use.

**Available Colors:**

- **White:** Ideal for bright, spacious interiors where subtle elegance matters.
- **Black:** A great choice for bold arrangements that emphasize contrasts and striking accents.

Order your ceramic light switch today and enjoy the combination of functionality and unique style.
