Product description

Flush Mounted Retro Double Round Wood Frame

Introduce a touch of elegance and modernity to your interior with our wood electrical equipment frames. This unique product is available in two stylish colors: light wood and dark wood, allowing for perfect integration into any type of decor.

Product Features:

- **High-quality craftsmanship:** Made from durable wood.
- **Modern design:** The minimalist look in two elegant colors makes the switch a perfect fit for both classic and contemporary interiors.
- **Easy installation:** Simple installation allows for quick and hassle-free mounting of the switch in any room.
- **Safety:** High-quality materials and meticulous craftsmanship guarantee safe use.

Available Colors:

- **Light wood:** Ideal for bright, spacious interiors where subtle elegance matters.
- **Dark wood:** A great choice for bold arrangements that emphasize contrasts and striking accents.

Order your ceramic equipment today and enjoy the combination of functionality and unique style.

Technical information:

- Mount Type: Flush Mounted
- Material: Wood
- Function: Double Frame
- Dimensions: 176x101mm

This wall frame is an ornamental and decorative element, it is not a necessary condition for mounting switches or sockets as is the case with flush-mounted products.
