## **Product description**

## Wall-Mounted Retro Porcelain Pin Socket Type / Earthed Power Socket (French/EU Type) Power Socket

Introduce a touch of elegance and modernity to your interior with our ceramic power socket. This unique product is available in two stylish colors: white and black, allowing for perfect integration into any type of decor.

#### **Product Features:**

- High-quality craftsmanship: Made from durable ceramic, the switch is resistant to scratches and damage, ensuring long-lasting use.
- Modern design: The minimalist look in three elegant colors makes the switch a perfect fit for both classic and contemporary interiors.
- Easy installation: Simple installation allows for quick and hassle-free mounting of the switch in any room.
- Safety: High-quality materials and meticulous craftsmanship guarantee safe use.

#### Available Colors:

- White: Ideal for bright, spacious interiors where subtle elegance matters.
- Black: A great choice for bold arrangements that emphasize contrasts and striking accents.

Order your ceramic power socket today and enjoy the combination of functionality and unique style.
