## **Product description**

#### **Wall-Mounted Retro Single Round Ceramic Frame**

Introduce a touch of elegance and modernity to your interior with our ceramic electrical equipment frames. This unique product is available in two stylish colors: white and black, allowing for perfect integration into any type of decor.

#### **Product Features:**

- High-quality craftsmanship: Made from durable ceramic, the frame is resistant to scratches and damage, ensuring long-lasting use.
- Modern design: The minimalist look in three elegant colors makes the switch a perfect fit for both classic and contemporary interiors.
- Easy installation: Simple installation allows for quick and hassle-free mounting of the switch in any room.
- Safety: High-quality materials and meticulous craftsmanship guarantee safe use.

#### **Available Colors:**

- White: Ideal for bright, spacious interiors where subtle elegance matters.
- Black: A great choice for bold arrangements that emphasize contrasts and striking accents.

Order your ceramic equipment today and enjoy the combination of functionality and unique style.

#### **Technical information:**

- Mount Type: Wall Mounted

- Material: Porcelain

- Function: Single Frame

- Dimentions: 100 x 100mm

This wall frame is an ornamental and decorative element, it is not a necessary condition for mounting switches or sockets as is the case with flush-mounted products.
